Welcome! Thank you for choosing **Eye Physicians of North Houston** for your eye care.

To help our office serve you better, please bring your current eyeglasses and/or contact lenses with you.

To help expedite your appointment, you may print out our new patient registration form from our website at [www.2920eyephysicians.com](http://www.2920eyephysicians.com) and bring them to your appointment.

If you have had any eye conditions requiring surgery or treatment, your records from your previous ophthalmologist would be beneficial to place in your chart in our office. If possible, you may want to bring them with you at your appointment time.

**Please be aware that most insurance companies DO NOT pay for “routine” eye exams. Routine exams are those exams performed for the sole purpose of checking your vision for eyeglasses or contact lenses.**

**Eye exams are normally covered by your *medical* insurance when performed for eye symptoms or diseases such as dry eyes, allergies, cataract, glaucoma, diabetes, etc.**

If you are on an insurance plan in which our doctors are contracted with, we will be happy to file with your insurance company. Please be sure our office has the appropriate information so benefits can be verified prior to your exam. **If your insurance plan requires a referral from your primary care physician, it is your responsibility to contact your primary care physician and have it with you at the time of your exam.**

If you have any questions, please feel free to call our office at 281-893-1760 from Monday-Friday from 8am-5pm.

Please refer to our website [www.2920eyephysicians.com](http://www.2920eyephysicians.com) for further information regarding our services.

We look forward to seeing you.

Sincerely,

***The Doctors and Staff at Eye Physicians of North Houston***

***EYE EXAMS AND INSURANCE FILING***  
***Acknowledgement of Financial Policy***

Please read the following and initial in the space provided to acknowledge your understanding of Eye Physicians of North Houston's financial policy.

- I understand that if my physician is contracted with my insurance plan, a claim for services rendered will be filed to my insurance carrier. I will be responsible for the payment of any co-payment, deductible, co-insurance or non-covered services **at the time** services are rendered. I will notify the office in the event of an insurance coverage change.
- I understand that if my physician is not contracted with my insurance plan, or if I am uninsured, I will be considered a self-paying patient and will be responsible for payment **at the time** of service.
- I understand that if my insurance carrier requires a **referral** for me to see a specialist, **it is my responsibility to obtain the referral**. I further understand that if a proper referral is not obtained by the time the services are rendered, I will be responsible for services rendered.
- I understand that during my eye exam, a “**glasses check/refraction**” may be performed to determine whether or not my vision can be improved. This is an essential portion of the eye exam. Most insurance companies do not pay for the refraction fee. Therefore we collect **\$50** at the time of service. It will be refunded to you in the event your insurance covers the service.
- I understand that during my eye exam my physician may deem it medically necessary to perform a diagnostic test. Because every patient's insurance coverage varies, this test may be considered a **NON-COVERED** service by your insurance carrier. If this is the case, it will become my responsibility.
- I understand that a service charge will be applied to all returned checks.
- I understand that a **\$25** fee may be charged if our office must fill out certain forms on your behalf (i.e. disability forms, flight physicals, FMLA forms, etc.)
- I understand that, at the discretion of Eye Physicians of North Houston, there is a **\$50 fee** for appointment cancellations with **less than 24-hour notice and for no-show appointments**.

All efforts are made by this office to confirm your coverage prior to you leaving the office. *Unfortunately, not all benefits quoted by your insurance carrier are correct, and you may receive a bill if your insurance company does not pay according to benefits quoted.*

**ACKNOWLEDGEMENT**

I, as the authorized account holder, have read and understand the above.
